Nationwide sales of used
trucks, buses and specialty vehicles

All equipment is painstakingly
refurbished and ready for the road
or your work site

All vehicles are retail-ready

We Reduce the Risk of Purchasing Used Vehicles

Advantage Funding is a leading provider of leasing and financing for commercial vehicles and vocational truck equipment. But we're more than that. We're transportation professionals who provide the quality inventory your business needs when acquiring used transportation equipment. That's why most of our off-lease sales come from repeat customers.

Every truck, bus, or specialty vehicle we sell goes through our unique quality assurance process. We:

1. Identify and correct mechanical issues, bodywork damage, and/or paint problems
2. Provide full mechanical documentation, including oil and transmission fluid analysis and brake reports
3. Administer complete Heating, Ventilation and Air Conditioning service, and
4. Perform tire inspections and replacements as needed

Buy with Confidence

Advantage Funding is a direct finance provider and vehicle seller. No brokers or middlemen to deal with.

All units go through a rigorous 250-point checklist to identify needed mechanical work:

- Retail-/Road-ready
- HVAC fully checked, services guaranteed
- Brakes brought to spec
- Commercial-grade undercoating
- Interior steam-cleaned
- Full engine oil and transmission fluid lab diagnostics
- Engine cleaned and painted
- All units have new body work and paint jobs
- Polished aluminum wheels or stainless steel simulators
- New tires on steer axle
- Tires 50% or better on the drive and tag axles
